Air Purification

Portable Air Purification System (Purple)
Model BY101CU-P
State of the art air purifier that combines advanced, innovative technology, modern design,with major health enhancement benefits. The air purification process effectively removes: * 99.9% bacteria * 97.4% odours * Exhaust fumes * Cigarette smoke * Fungus * Gases * Mould spores * Harmful electronic waves * Carbon monoxide And pollen and dust mites that aggravate hayfever and asthma sufferers throughout the day and during the night providing cleaner, fresher air for you and your family. Our air purifier is small and portable, and it's conveniently designed to be used in the car, in the office or at home. It's lightweight, sleek and very stylish and will look great wherever you take it!
34.00 GBP

Portable Air Purification System (Silver)
Model BY101CU-S
State of the art air purifier that combines advanced, innovative technology, modern design,with major health enhancement benefits. The air purification process effectively removes:* 99.9% bacteria * 97.4% odours * Exhaust fumes * Cigarette smoke * Fungus * Gases * Mould spores * Harmful electronic waves * Carbon monoxide And pollen and dust mites that aggravate hayfever and asthma sufferers throughout the day and during the night providing cleaner, fresher air for you and your family. Our air purifier is small and portable, and it's conveniently designed to be used in the car, in the office or at home. It's lightweight, sleek and very stylish and will look great wherever you take it!

Industrial

EP-2 Extreme Pressure Grease
Model 46000
* Prevents rust corrosion and oxidation* Extreme pressure lubrication* Lubricates above 640 deg. Fahrenheit and well below freezing* Minimum wash-out protection* Excellent load carrying ability
9.99 GBP

Hydraulic System Treatment
* Helps extend the life of hydraulic pumps* Reduces electrolysis* Reduces extreme pressure friction* Reduces excessive heat* Displaces moisture* Protects metal surfaces* Helps prevent corrosion and oxidation* Also suitable for wet bath clutches, brakes and auto transmissions
54.65 GBP

Hydraulic System Treatment (3.78L)
Model 18020
* Helps extend the life of hydraulic pumps* Reduces electrolysis* Reduces extreme pressure friction* Reduces excessive heat* Displaces moisture* Protects metal surfaces* Helps prevent corrosion and oxidation* Also suitable for wet bath clutches, brakes and auto transmissions
109.10 GBP

MPG+ Fuel Catalyst
Model 12100
* Increases fuel economy by an average 10%* Cuts down black exhaust smoke, Nitrogen Oxide particulates and gases, Hydrocarbons & Carbon Monoxide* Reduces soot in the motor oil to extend oil life* Cleans carbon deposits from engine surfaces* Adds lubricity to diesel fuels
6.99 GBP

Patented AFMT Anti Friction Metal Treatment
Model 10010
* Reduces Friction* Lowers operating temperature* Reduces electrolysis* Prevents corrosion and oxidation* Provides outstanding extreme pressure performance* Helps reduce energy costs and costly down time
54.65 GBP

Patented AFMT Anti Friction Metal Treatment (3.78L)
Model 10020
* Reduces Friction* Lowers operating temperature* Reduces electrolysis* Prevents corrosion and oxidation* Provides outstanding extreme pressure performance* Helps reduce energy costs and costly down time
109.10 GBP

SPL100 Super Penetrating Lubricant
Model 40020
* Displaces moisture* Protects metal surfaces* Penetrates to loosen rust and corrosion* Anti-Gravity Sprayer-even works upside down
9.99 GBP

Super Duty Engine Treatment
Model 11151
* Treats the metal and the oil* Withstands higher temperatures* Protects against friction and heat* Displaces moisture* Restores compression from sticky rings* Compatible with petroleum and synthetic oils
54.65 GBP

Super Duty Engine Treatment (3.78L)
Model 11202
* Treats the metal and the oil* Withstands higher temperatures* Protects against friction and heat* Displaces moisture* Restores compression from sticky rings* Compatible with petroleum and synthetic oils
109.10 GBP

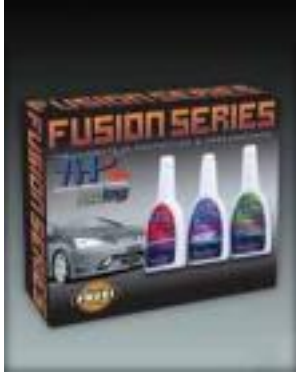

Super Duty Transmission, Diff & Gear Treatment 85W 140
Model 17002
* Maximizes transmission performance* Extreme pressure lubricant* Reduces friction and operating temperatures* Stable, non-corrosive formula* Prevents costly down time due to frequent repairs or replacements
49.95 GBP

Ultra Cut 1
Model 47000
* Increases speeds and feeds* Increases tool life* Improves surface finish* Retards bacteria growth* Reduces power consumption* Extends life of cutting solution* Resistant to foaming* Soft and hard water emulsification* Excellent filterability* Reduces edge build-up* Protects metal surfaces from corrosion* Non-staining* Reduces noise
28.55 GBP

Cars

APC Fusion Series Pack
Model 20045
* Includes Engine Treatment, Octane Juice, Injection Charge* Optimizes Performances and fuel economy* Protects against extreme pressure and heat* Street legal increase in octane* Cleans fuel system* Formulated for sports cars

32.95 GBP

Diesel Engine Oil 15W 40
Model 14307
* Premium heavy duty engine oil with AFMT* Outstanding heat and wear protection* Provides excellent cold weather start-up* Excellent soot control* Can be used in 2-cycle and 4-cycle with EGR valves

39.99 GBP

Engine Oil 5W 30, 10W 40 and 20W 50
Model 14005
* Blended with Prolongs patented AFMT* Maximum protection against viscosity and thermal breakdown* Antioxidants to help keep oil cleaner, longer* Guards against sludge, varnish and rust deposits

10.99 GBP

Engine Oil 5W 30, 10W 40 and 20W 50 (4 Pack)
* Blended with Prolongs patented AFMT* Maximum protection against viscosity and thermal breakdown* Antioxidants to help keep oil cleaner, longer* Guards against sludge, varnish and rust deposits
41.45 GBP

Engine Oil 5W 30, 10W 40 and 20W 50 (6 Pack)
Model 74305
* Blended with Prolongs patented AFMT* Maximum protection against viscosity and thermal breakdown* Antioxidants to help keep oil cleaner, longer* Guards against sludge, varnish and rust deposits
49.98 GBP

Engine Treatment
Model 11000
* Lifetime Limited Product Warranty * Superior Protection against friction and heat* No oil change required* Compatible with all engine oils * Extends engine life
21.95 GBP

Engine Treatment (945ml)
Model 11151
* Lifetime Limited Product Warranty * Superior Protection against friction and heat* No oil change required* Compatible with all engine oils * Extends engine life
54.65 GBP

EP-2 Extreme Pressure Grease
Model 46000
* Prevents rust corrosion and oxidation* Extreme pressure lubrication* Lubricates above 640 deg. Fahrenheit and well below freezing* Minimum wash-out protection* Excellent load carrying ability

9.99 GBP

Fuel System Treatment
Model 16010
* Cleans fuel system including injectors* Lowers emissions and improves fuel economy* Suitable for both petrol and diesel* Effective for atleast 3,000 miles

9.99 GBP

Injector Cleaner
Model 16040
* Removes deposits on clogged fuel injectors* Cleans intake valves* Helps stop engine knocks and pings* Improves performance and mileage* Suitable for both petrol and diesel

9.99 GBP

MPG+ Fuel Catalyst
Model 12100
* Increases fuel economy by an average 10%* Cuts down black exhaust smoke, Nitrogen Oxide particulates and gases, Hydrocarbons & Carbon Monoxide* Reduces soot in the motor oil to extend oil life* Cleans carbon deposits from engine surfaces* Adds lubricity to diesel fuels
6.99 GBP

MPG+ Fuel Catalyst (5 Litres)
Model 12128
* Cuts down black exhaust smoke, Nitrogen Oxide particulates and gases, Hydrocarbons & Carbon Monoxide* Reduces soot in the motor oil to extend oil life* Cleans carbon deposits from engine surfaces* Adds lubricity to diesel fuels
170.20 GBP

Octane Boost
Model 16030
* Restores lost horsepower* Boosts octane level* Helps improve fuel mileage* For petrol and diesel type fuels
9.99 GBP

Oil Stabilizer
Model 13032
* Stops oil leaks* Eliminates smoking* Reduces oil consumption* Quiets engine noise* Suitable for all oils and manual transmission (gearbox)
14.95 GBP

Precision Oiler
Model 40100
* Premium quality light oil* Lowers friction with unsurpassed lubrication* Maximizes longevity of any metal* Frees sticky mechanisms* Prevents rust and corrosion
5.15 GBP

SPL100 Super Penetrating Lubricant
Model 40020
* Displaces moisture* Protects metal surfaces* Penetrates to loosen rust and corrosion* Anti-Gravity Sprayer-even works upside down
9.99 GBP

Super Duty Engine Treatment
Model 11151
* Treats the metal and the oil* Withstands higher temperatures* Protects against friction and heat* Displaces moisture* Restores compression from sticky rings* Compatible with petroleum and synthetic oils
54.65 GBP

Super Duty Engine Treatment 3.78L
Model 11202
* Treats the metal and the oil* Withstands higher temperatures* Protects against friction and heat* Displaces moisture* Restores compression from sticky rings* Compatible with petroleum and synthetic oils
109.10 GBP

Super Protectant (Spray)
Model 60017
* Water resistant protection * Keeps vinyl, rubber, plastic and leather looking new* Easy to use-no mess applicators
10.50 GBP

Transmission Treatment
Model 15000
* Reduces friction to promote smoother shifting* Optimizes extreme pressure lubrication* Extends the life of the internal parts* For manual and automatic gearbox

15.95 GBP

Transmission Treatment (945ml)
Model 17002
* Reduces friction to promote smoother shifting* Optimizes extreme pressure lubrication* Extends the life of the internal parts* For manual and automatic gearbox

49.95 GBP

Value Pack B
Model 77002
* Care & performance package* Includes Fuel System Cleaner, Engine Treatment, Transmission Treatment, Waterless Wash & Shine* Free Lifetime Engine Warranty Included* Suitable for both petrol & diesel, manual or automatic
45.99 GBP

Value Set A
Model 77001
* Care & performance package* Includes Injector Cleaner, Engine treatment, Transmission Treatment, Waterless Wash & Shine* Free Lifetime Engine Warranty Included* Suitable for petrol or diesel vehicles with injection, manual or automatic
45.99 GBP

Waterless Wash and Shine
Model 64004
* No need for buckets, water or hoses * Simply spray and wipe (will not scratch paint) * Cleans, shines and protects in minutes* Suitable for all paint types

2.95 GBP

Waterless Wash and Shine (17oz)
Model 64017
* No need for buckets, water or hoses * Simply spray and wipe (will not scratch paint) * Cleans, shines and protects in minutes* Suitable for all paint types

10.50 GBP

Waterless Wash and Shine (64oz)
Model 64064
* No need for buckets, water or hoses * Simply spray and wipe (will not scratch paint) * Cleans, shines and protects in minutes* Suitable for all paint types

23.80 GBP

Trucks

Diesel Fuel Treatment
Model 16110
* Lowers emissions and improves fuel economy* Cleans the fuel system and adds lubricity to the fuel* Extends maintenance intervals

58.50 GBP

Diesel Motor Oil 15W 40
Model 14307
* Premium heavy duty engine oil with AFMT* Outstanding heat and wear protection* Provides excellent cold weather start-up * Excellent soot control* Can be used in 2-cycle and 4-cycle with EGR valves
39.99 GBP

Engine Treatment Booster
Model 11100
* Patented formula treats the metal* Protects against friction and heat * For new and high mileage vehicles* Maintains superior Prolong protection* For use after initial Prolong Engine Treatment
12.50 GBP

EP-2 Extreme Pressure Grease
Model 46000
* Prevents rust corrosion and oxidation* Extreme pressure lubrication* Lubricates above 640 deg. Fahrenheit and well below freezing* Minimum wash-out protection* Excellent load carrying ability

9.99 GBP

MPG+ Fuel Catalyst
Model 12100
* Increases fuel economy by an average 10%* Cuts down black exhaust smoke, Nitrogen Oxide particulates and gases, Hydrocarbons & Carbon Monoxide* Reduces soot in the motor oil to extend oil life* Cleans carbon deposits from engine surfaces* Adds lubricity to diesel fuels
6.99 GBP

Oil Stabilizer
Model 13032
* Stops oil leaks* Eliminates smoking* Reduces oil consumption* Quiets engine noise* Suitable for all oils and manual transmission (gearbox)

14.95 GBP

Oil Stabilizer (3.78L)
Model 13128
* Stops oil leaks* Eliminates smoking* Reduces oil consumption* Quiets engine noise* Suitable for all oils and manual transmission (gearbox)

44.85 GBP

SPL100 Super Penetrating Lubricant
Model 40020
* Displaces moisture* Protects metal surfaces* Penetrates to loosen rust and corrosion* Anti-Gravity Sprayer-even works upside down
9.99 GBP

Super Duty Engine Treatment
Model 11151
* Treats the metal and the oil* Withstands higher temperatures* Protects against friction and heat* Displaces moisture* Restores compression from sticky rings* Compatible with petroleum and synthetic oils
54.65 GBP

Super Duty Engine Treatment (3.78L)
Model 11202
* Treats the metal and the oil* Withstands higher temperatures* Protects against friction and heat* Displaces moisture* Restores compression from sticky rings* Compatible with petroleum and synthetic oils
109.10 GBP

Super Duty Transmission, Diff & Gear Treatment 85W 140
Model 17002
* Maximizes transmission performance* Extreme pressure lubricant* Reduces friction and operating temperatures* Stable, non-corrosive formula* Prevents costly down time due to frequent repairs or replacements
49.95 GBP
